

FREE Seminar for Greater Clear Lake Families Exploring Down Syndrome

MARCH 24, 6:30PM

Topics also covered include eligibility for government benefits programs, preserving eligibility for government benefits, how work affects SSI and SSDI, housing options, guardianship and less intrusive alternatives to guardianship.

You will gain great peace of mind by taking the time to plan for your disabled child's future while you still have the health, time and energy to do so. We'll equip you with practical action steps and recommendations for parents, siblings and grandparents of special needs children and how the family's resources can be used to maximize the quality of life their family member will enjoy.

FREE INFORMATION FOR BUSY PARENTS... DISCOVER THE STEPS TO MAKE SURE YOUR CHILDREN ARE PROTECTED - NO MATTER WHAT

Dear Parent:

Every parent of a special needs child secretly wonders, "What will happen to my child when I am gone," and "How will he/she be provided for financially in my absence?"

Well worry no more, as the attorneys from Hegwood & Associates, P.C., are pulling back the veil to show you insider ways to get the most benefits and care for your special needs child NOW, in addition to vital information on how to protect your child legally, financially and physically when you're gone.

This is a free, no-obligation seminar that you can attend from the comfort of your own home.

- What public benefits are available to your child NOW and the quickest ways to obtain them.
- How to make an effective plan for your special needs child so you can rest easy knowing your child will be cared for physically and financially when you're gone.
- What are special needs trusts and how to use them.
- How to ensure you're working with the right legal and financial advisors for your child and how to avoid being taken advantage of in the process.
- Critical steps in protecting a special needs child should the parent ever become incapacitated or unable to care for them on a short-term OR long-term basis.
- How to set up a long-term support system for an individual with life-long disabilities which is critical to the quality of their overall care.
- And much more!
